TAKES CAPITAL CITY BRIDE.

Miss Mattie Etheredge and M. R. McDonald Married Last Thursday.

There are many in Oceone who will read with interest the following announcement, which we clip from the Columbia State:

"The marriage of Miss Mattie M. Etheredge and Monroe R. McDonald took place at the home of the bride's mother Thursday noon. The drawing room was beautifully decorated with ferns and flowers, the color scheme being white and green. The wedding march was played by Mrs. H. F. Littlejohn.

"Miss Etheredge, who is a recent graduate of Columbia College, is the only daughter of Mrs. M. R. Etheredge. Mr. McDonald is a young lawyer of Walhalla."

The ceremony was performed by Rev. R. E. Turnipseed, of the Methodist Episcopal church, he being the bride's pastor. The wedding was a quiet one, only the relatives and a few of the intimate friends of the bride and groom being present to witness the ceremony.

Mr. and Mrs. McDonald arrived in Walhalla Thursday evening, going at once to their home at the corner of Tugaloo and South Broad streets. Mrs. McDonald will be quite an acquisition to social and church circles here, she being an accomplished young lady, an honor graduate from her college and a staunch and active member of the Methodist church.

The Courier joins with hosts of other friends of the groom in extending hearty congratulations on his good fortune, and in wishing for the happy young couple a long life of usefulness, happiness and prosperity.

A MERCILESS JUDGE.

One Who Shows No Favor.

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Walhalla resident has withstood this sternest of all tests.

R. D. Oelkers, butcher, W. Main street, Walhalla, says: "I have suffered from rheumatic pains ever since I was young. My kidneys have always been irregular in action and I have had backache. I used Doan's Kidney Pills, procured from Bell's drug store, and they gave me relief. Another of the family had dizzy and nervous spells and the kidneys were weak. Backaches also caused much suffering. Doan's Kidney Pills brought relief." (Statement given March 16, 1911).

No Trouble Since.

On December 17, 1914, Mr. Oelkers said: "I haven't noticed the slightest sign of kidney trouble since Doan's Kidney Pills cured me. I am now in the best of health."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Oelkers had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

GOOD ADVICE FOR THE FARMER

Fertilizer people are talking high prices for next spring, and it looks like \$28.00 to \$30.00 per ton for Standard Guano.

Two tons of 16 per cent Acid and one ton of Cotton Seed Meal will make you a good fertilizer for Corn or Cotton. You had better swap Seed for Cotton Seed Meal at present exchange prices. The farmer that does this this year will find that he has acted wisely.

Cotton Seed Meal for Feed.

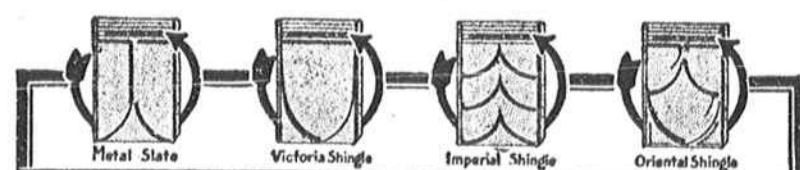

It may look high for feed, but not so as compared with other feeds. C. S. Meal has always been too cheap in this country. Too much meal has been exported every year, and it is the other fellow that has been profiting from our ignorance and carelessness. Take your Experiment Station's advice on Cotton Seed Meal for feeding cattle.
